The Story of the Thirteenth

This is the mission that has been transmitted to me:

That even if the world should end, I should connect with you just like this.

1 First Night's Departure

I'll try looking for something.

The Secret of the Flowers

If you find something,
please tell me.

Nameless

Who are you?

White Alligator, Red Girl

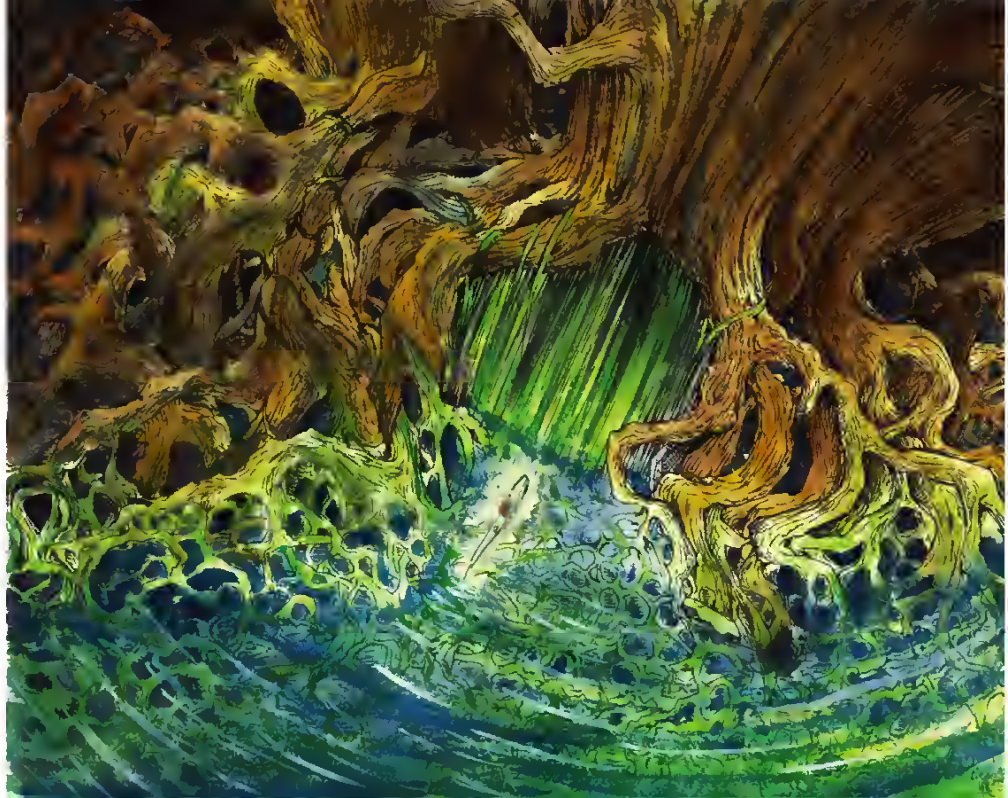
I finally found you.

The Two of Us

Let's go together.

Entrance

Into this world of ours
which won't end.



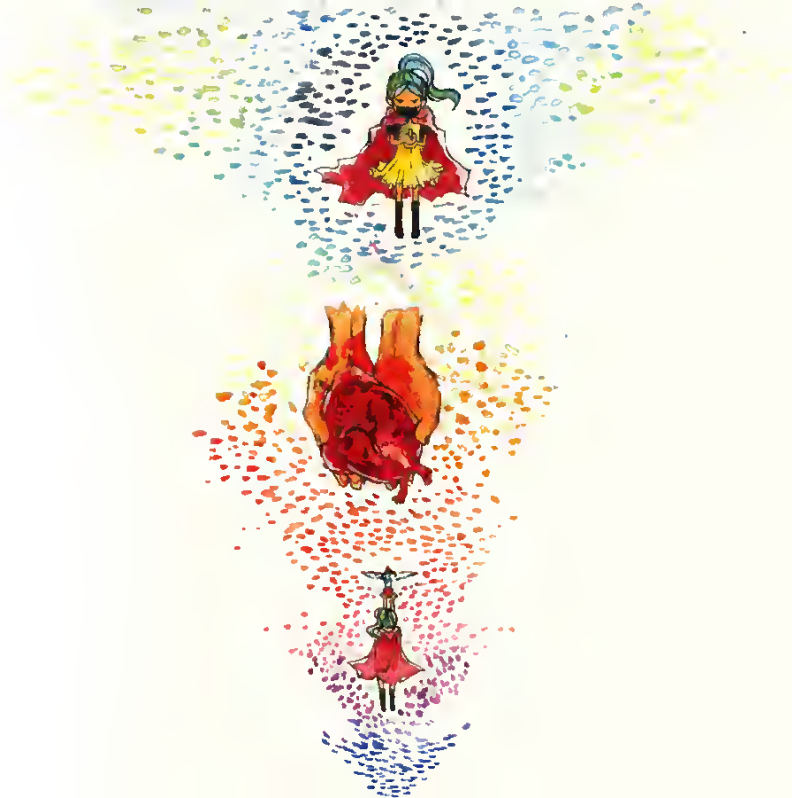
The Middle of the World

I want to redo it.

8

Heart

Please take it.



Heart

Like poison.

This world is...

All of me.

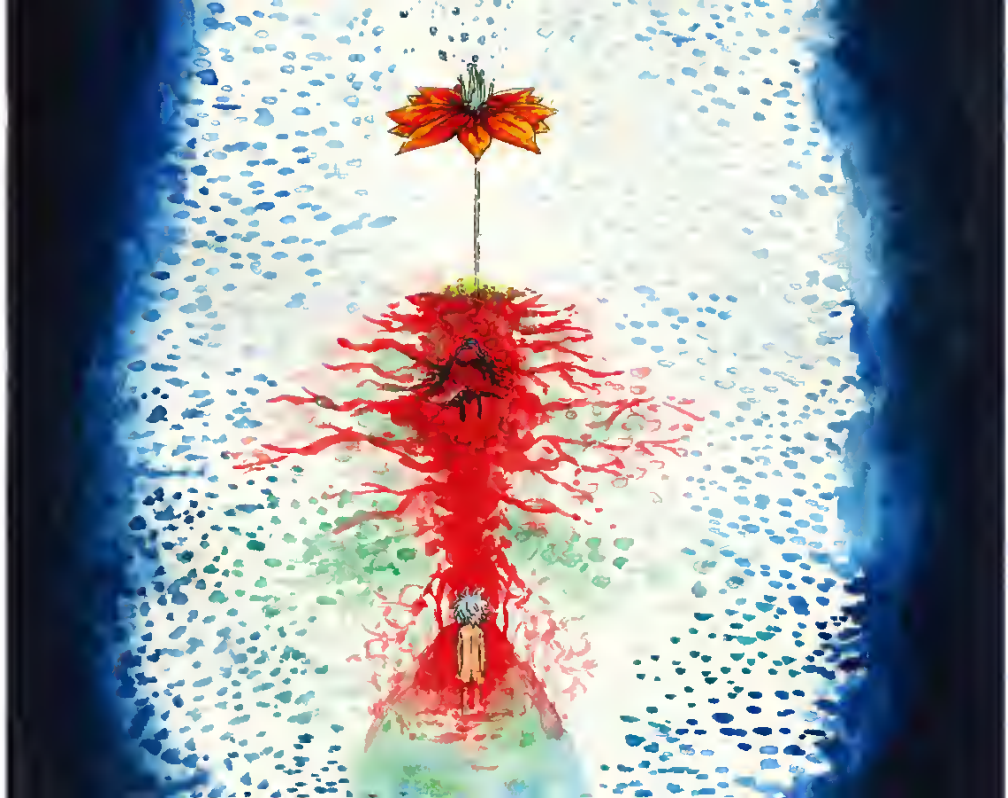
A Nocturne of Void

I'll flutter on the wind.

12

Lifeblood

Thank you. Good night.



13

The End of the World

Goodbye. Let's meet
again someday.

The beginning of another story starts now.
